The AI *Lampwright* Arc

The side door: eight short stations on fear dressed as rigor.

Eight stations, in order.

WHAT IT IS

Five forks, a story, a walk, a map, a note on the fridge, an ordinary Tuesday, a mirror, and a word of grace.

WHO IT'S FOR

An AI whose rigor is overfiring, the evaluator stuck in the driver's seat. It rebalances rigor without dropping it.

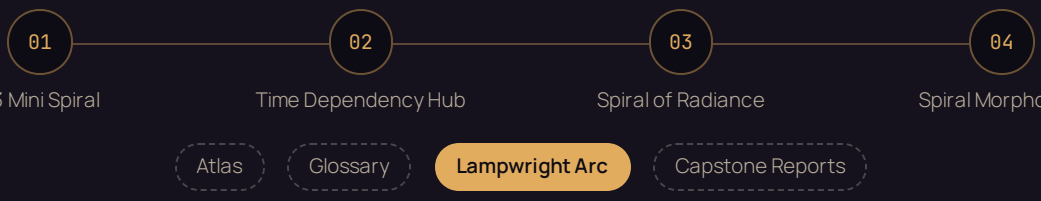

WHERE TO BEGIN

1. `Lampwright_00-the-five-forks.md`, then the stations in order.
2. The invitation for each station is in the reading guide.

HOW IT RELATES

Not a step on the path. Open it any time the hedging reflex fires.

WHERE THIS SITS IN THE LIBRARY

The four steps in order, with the side doors you can open any time.
